Huntsville, Alabama chosen as location for the 2019 LHA Reunion

January 2019

Extra Time in Huntsville Makes Sense

Nancy Haukohl had the basic accommodations and attractions settled for the **October 18-20 LHA Reunion in Huntsville, Alabama** by last November. She reported that there were many points of interest in and around Huntsville, and she was adding an optional itinerary for two days, either before or after the reunion that LHA members could enjoy on their own.

We feel that adding two days will add value to the entire trip and have made reservations (at the Holiday In Express-Research Park) for October 15, 16, 17th, and **LHA reservations on the 18th and 19th at the Hilton Garden In- Space Center.**

We've looked at the tourist attractions for Huntsville on the internet and look forward to the extra time in Huntsville. Consider this as an early notice about the 2019 LHA reunion, and make travel plans to fit your needs.

MEMBERSHIP RENEWALS NEEDED

LHA Treasurer, Chris Thurmon, would like to remind people who haven't renewed their membership for this year to please send a check or use PayPal on leftwich.org soon, in order to avoid sending the reminder by mail. Those funds can be much better used for our research goals and activities which promote the awareness of the Leftwich family!

Chris says, "for those of you who are dealing with the cold and snow of the season, keep in mind that we are a mere seven weeks until Spring arrives! The rest of you enjoying the mild effects of winter in your southern states, well, don't gloat too much when you read about our latest blizzard.

Looking forward to seeing all of you in Huntsville this Fall." chris@metamoraimporting.com

MAKE A MEMORABLE EXPERIENCE EVEN BETTER

Huntsville Native and LHA reunion planner for 2019, Nancy Haukohl tells us that she's also thinking of interesting things to do for people if they come in a day or two early ... her first "teasers" are in Lynchburg, Tennessee, only a one-hour drive north from Huntsville!

She says ...

- Enjoy lunch with a truly "Southern" experience at Miss Bobo's Restaurant with big platters of food served family style in the old boarding house. At least one dish features the addition of Jack Daniels Whiskey.
- Join a Jack Daniels Whiskey Distillery tour - it sounds well worth the trip, with lots of fun and history.

HOW TO RENEW YOUR MEMBERSHIP ON LEFTWICH.ORG

Mike Starr (starr@leftwich.org) says that theres a cart item as “Yearly Dues.” If the link was used previously, it should fill out the information automatically, but if not, then fill it out and you’ll be set for this and future years. Although the Leftwich site itself is not secure, once you click on the PayPal process, it directs you to a secure page for billing.

If you have any questions about that, please email Mike.

Note from Margo

I see that our President, Nancy Jay, is absent from the pictures, which means that she must have been behind the camera! Thanks again, Nancy for going above and beyond! The Family Tree project that I was supposed to do, but couldn’t, looks really great (thanks to Nancy), and everything for the reunion looks like it went perfectly, except that a major hurricane made it look almost impossible to happen at all. Those able to make it there had a wonderful time, as is clear to see in the photographs.

I’d like to mention that Nancy just had a car accident (she says it was small), so we hope she’ll make it through any soreness and we send her our best.

Don’t forget to chat with each other on our **Leftwich Historical Association Facebook site**, and build on our reunion.

I’d still like to communicate with anyone who might be willing to write a **Wikipedia article** about a Leftwich. The directions are very detailed, but it can be done with bare bones information - at least the person will be “bookmarked” for future work.
